

# Operation Shoebox Christmas Appeal Child 2019

## Shoebox Appeal 2019

Operation Christmas Child started in Wrexham in 1990 and now gives out more than 11 million shoeboxes annually to needy children around the world.

See the effect a gift-filled shoebox has on children who have little to call their own.

Eunice Harradine, the Banbury area volunteer coordinator since 2003, will show slides and answer questions on how the system works and the benefits it brings.

She will also give guidance on what you can do for this year's appeal and the dates for collecting items.

## Operation Christmas Child

SHOEBOX APPEAL
